STEEL, LLC

AUTHORIZED BUILDER

a **NUCOR** company

## PRESS RELEASE

Date: 09/06/23

Wolfpack Steel, LLC has been awarded the contract to provide a Nucor metal building and steel erection for a new athletic facility for a private school in Lenexa, Kansas. This is the 4<sup>th</sup> project for our customer and continue to be thankful for their support. Steel erection will begin in late February of 2024.

The model below does not do this project justice. This is a complicated project and will integrate multiple building technologies. We are looking forward to seeing this building completed.
